TURNTABLE TRAILERS FROM HAPERT - MULTIPURPOSE ALL-ROUNDERS

Trailer manufacturer HAPERT has long been the Dutch market leader in the segment featuring a Max.Gross Weight of up to 3500 kg and separate registration. Users know that HAPERT trailers are all quality products that prove themselves time and time again under the most diverse conditions.

In addition to a number of standard sizes - 5, 6 and 7 metres - the model V is also available with a length of up to 10 metres and a width of 2400 mm. The basic versions of all HAPERT turntable trailers feature a very complete range of equipment, including side protection bars, binding rings integrated into the outer side edges (photos 1 and 2), a hinged front board (photo 3), protected side marker lights, extra securing hooks under the side edges (photo 4) and a spring retainer for the drawbar (photo 5). Be sure to take a closer look at the top quality, integrated fasteners as well!

For more information about the many additional accessories and options, please contact your local HAPERT dealer or visit WWW.HAPERT.COM.

**TURNTABLE TRAILER,
3 AND 4 AXLE VERSIONS,
3500 KG MAXIMUM
GROSS WEIGHT**

MODEL V

THE COMBINATION OF MODERN TECHNOLOGY AND CRAFTSMANSHIP:

this is the secret behind the exceptional quality of HAPERT products.

HAPERT trailers are available in many European countries from professional dealers who have specialist knowledge of the products and personal involvement with the brand and the organisation. With the extensive range of available options, you can have your HAPERT trailer customised to meet your exact needs.

The 3 and 4 axle HAPERT turntable trailers with a Max. Gross Weight of 3500 kg, for instance, can be delivered with aluminium dropsides with easy-to-operate integrated fasteners, without dropsides (completely flat bed), a high cover (with or without a sliding tarpaulin system, photo 8), spoiler, removable ladder rack in front, raised aluminium dropsides, etc. Also available as a TRANSPORTER version (photo 9 and 10) featuring drive-on ramps stored under the trailer, binding rails on the sides, a lowered chassis, a bevelled rear end and a mounted winch.

| model | number of axles | inside dimensions in mm | | | loading floor height in mm | Maximum Gross weight in kg | approx. empty weight in kg |
|--------|-----------------|-------------------------|-------|--------|----------------------------|----------------------------|----------------------------|
| | | length | width | height | | | |
| V 3500 | 3 | 5050 | 2000 | 300 | 840/730 | 3500 | 990 |
| V 3500 | 3 | 6050 | 2200 | 300 | 840/730 | 3500 | 1140 |
| V 3500 | 3 | 7050 | 2400 | 300 | 840/730 | 3500 | 1250 |
